A group favorite for nearly 10 years, the Memorial Day Camp is a great social and training event each spring. Based out of beautiful Sun River homes, it is a perfect opportunity to get big bike miles, long slow runs, and some swimming too! Each day brings new routes, challenges and great food. All rides are supported with sag vehicles and sports nutrition. In addition to being able to get away and focus on training, it is also a great way to get 1:1 time with your coach and connect with other athletes in a fun, supportive environment.
